

MOUNT SINAI HEALTH SYSTEM

Glioblastoma Support Group

First Thursday of Every Month
1 - 2pm

Zoom/Online
URL will be provided once registered.

Kat Safavi, MEd, LCSW
212-844-6779
kat.safavi@mountsinai.org

Just diagnosed? Undergoing treatment?

Led by Mount Sinai social workers, nurses, and neurosurgeons, the Glioblastoma Support Group is dedicated to providing a safe space for patients to connect with others and share their experiences, support one another, and exchange strategies.

The Mount Sinai team can offer additional information and resources.

Group Facilitators

Social Worker

Kat Safavi, MEd, LCSW
