

MRI PATIENT RELEASE

I, _____,¹ have requested that The Brain Tumor Foundation (the "Foundation"), through its agent, Hyperfine administer for me an MRI brain scan at no charge. I understand and appreciate that the Foundation, Hyperfine and any of each of their agents are not providing me with medical care or medical advice. In addition, I understand the scan I am receiving is done with no contrast, is not of a diagnostic nature and may not be sensitive enough to detect every abnormality present.

I hereby forever fully release, cancel, forgive, acquit and forever discharge the Foundation and its agents, legal representatives, successors, heirs, assigns, executors, administrators, trustees, predecessors, affiliates, divisions and all of their officers, directors and employees, as well as Hyperfine (collectively, the "BTF Releasees") from any and all rights, actions, causes of action, suits, debts, dues, sums of money, accounts, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, transactions, acts, omissions or refusals to act, damages, judgments, extents, executions, claims and demands whatsoever, in law, admiralty or equity, known or unknown, asserted or unasserted, fixed or contingent, matured or unmatured or foreseeable or unforeseeable, which against any of the BTF Releasees, I ever had, now have or hereafter can, shall or may have for, upon or by reason of any matter, cause or thing whatsoever.
